### A LETTER OF APPRECIATION

May this New Year bring you success, peace and moments of pure joy . On behalf of the staff of A.R.C.H Dibanda, I wish to express our deepest gratitude and appreciation for the generous support you provided for the children in our community during the Christmas party celebration. Your kindness and generosity have brought immense joy and happiness to the hearts of these handicapped and vulnerable children, and we are truly grateful for your thoughtful contribution. Your kindness has shown them that they are valued and cared for and it has created lasting memories that they will cherish. We are deeply thankful for your partnership and for choosing to invest in the wellbeing of our community.

May God richly bless and replenish your resources.

Yours in Christ.
